www.TerraCat.co.nz

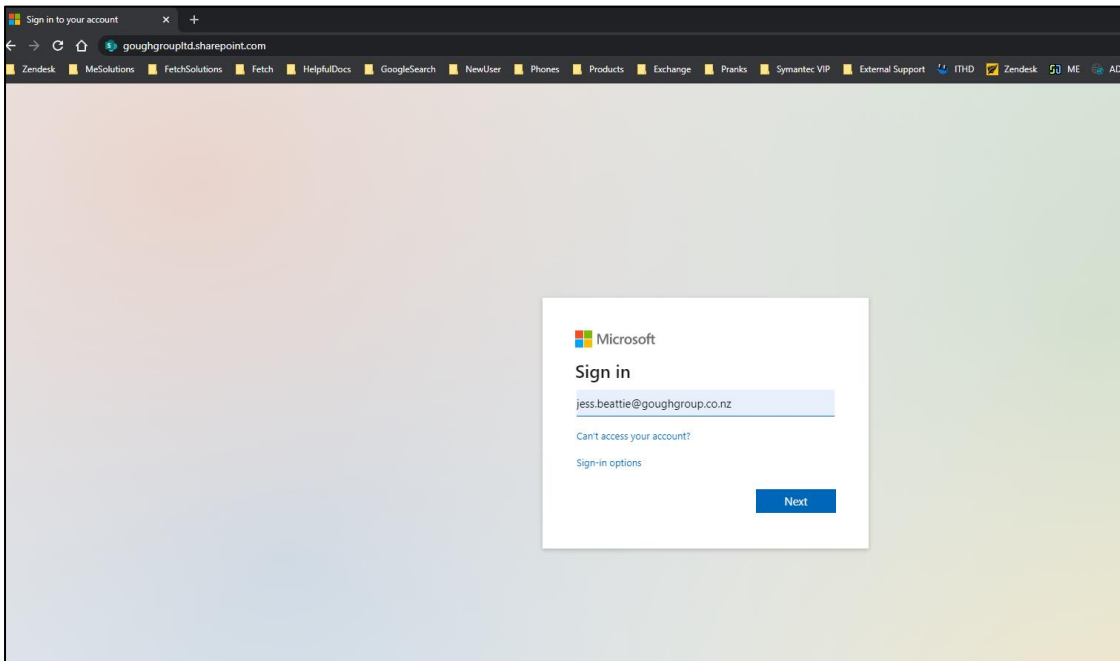

1. Right click on the Chrome icon on the taskbar
2. Select **Incognito Mode** (This essentially means a “private” browser)

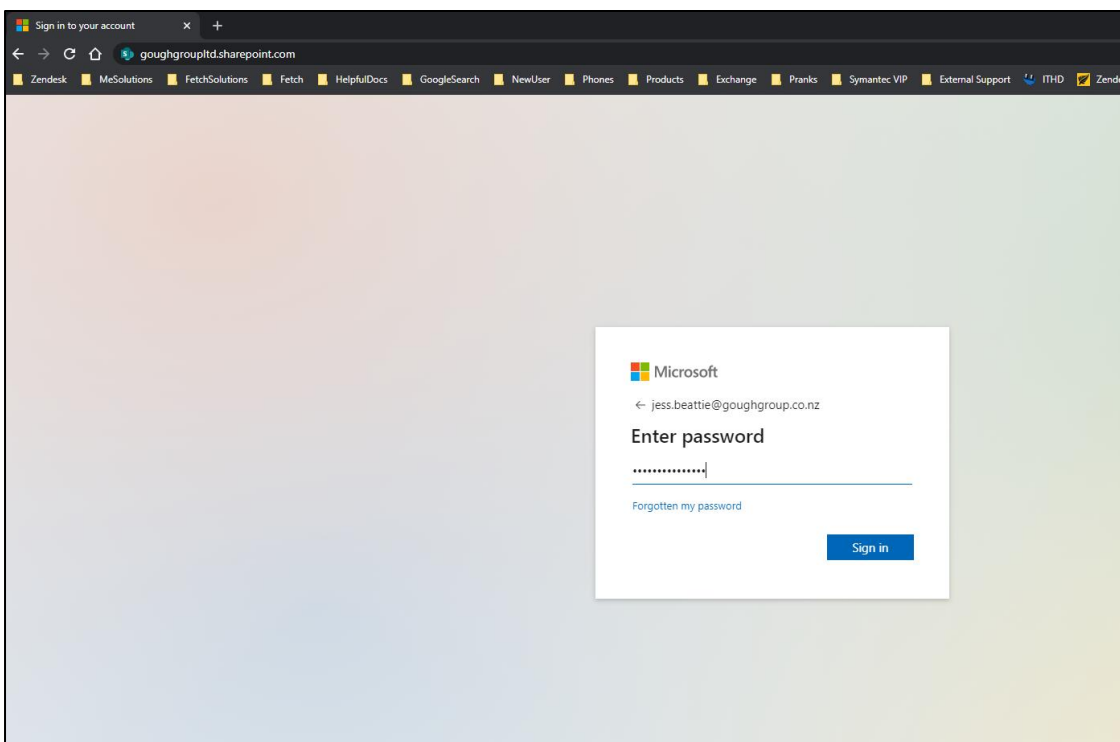

Once the window opens, it should automatically go to this window below
 If it doesn't, copy and paste this link in the address bar at the top
<https://terraindustrial.sharepoint.com/>

3. Sign in with your email address

4. Put in your password

Then you shouldn't have any issues 😊
