Projecting Phone Screen to Computer User Guide

Samsung Phone

Terra Industrial New Zealand Ltd

PO Box 16 168
16 Branston Street, Hornby
Christchurch 8441, New Zealand
03 983 2333 Tel
www.TerraCat.co.nz

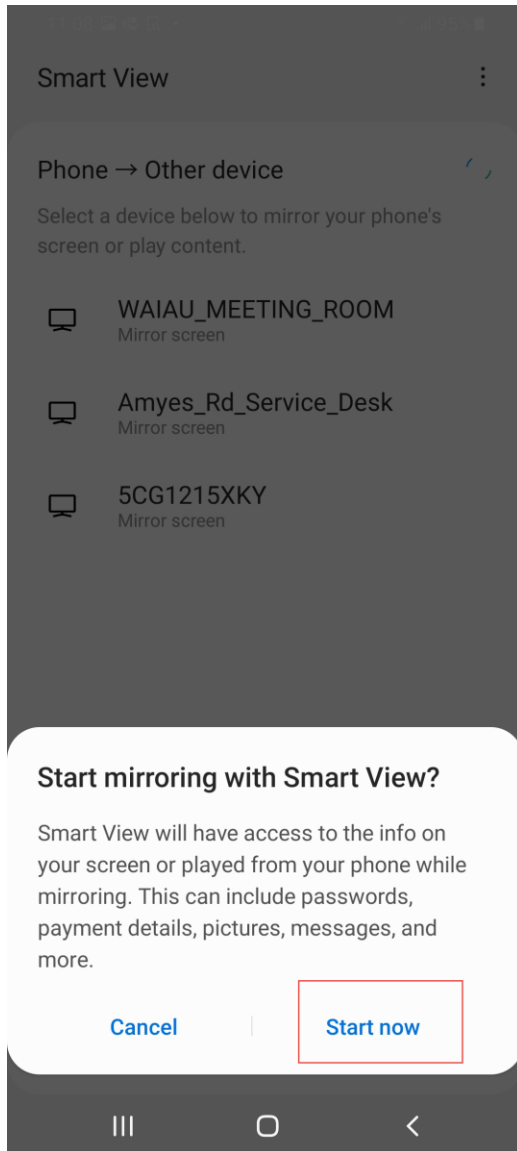

1. Open the **Connect App** on your computer

2. On your Samsung phone > scroll down from the top of the screen > pull the menu right down so all icons show > click on the **Smart View** icon

3. Select your computer name > then **Start Now**

4. Both the phone and computer should say it is trying to connect then eventually the connection will succeed 😊
